# AB Inflatables Profile A21-XHD

Boat Type: Inflatable

## OVERVIEW

AB Inflatables is proud to introduce the new professional line PROFILE A- XHD. Designed for the most difficult and demanding military & commercial operations, these new workhorses (water-war-tanks) are ready to withstand anything Mother Nature can throw at you.

The PROFILE A-XHD line is built for the toughest environmental conditions. Every model is geared toward a specific mission, keeping in mind the circumstances it will be exposed to. Every professional will appreciate the ¼" thick aluminum hull supported by a heavy duty welded stringer system and the most durable 1670 D-Tex CSM fabric. Its robust internal construction currently makes this new professional line the safest and most reliable RIB.

A wide list of optional features is also available for this new line. The PROFILE A-XHD can be customized to suit the most particular needs by offering standup aluminum consoles, cabins, leaning bolsters, aluminum jockey seats, gun mounts, among other features.
