Sabre 48 Fly Bridge

Boat Type: Motor Yacht

OVERVIEW

Experience the power and elegance of the Sabre 48 Fly Bridge.

In March of 2016 Sabre Yachts launched the first of this exciting new fly bridge model. Designed with our experienced and adventurous owners in mind, the Sabre 48 Fly Bridge is the perfect combination of the traditional Downeast style and the wind-in-your-hair freedom of a fly bridge. Nautically sensible design choices preserve the living space inside the pilothouse, meaning our owners do not have to compromise between their indoor and outdoor experience.

The Sabre 48 Fly Bridge offers unparalleled views, providing unrestricted sightlines while underway and clear views of your surroundings while docking. An endearing space for al fresco dining and entertainment, with the full power and control of a traditional helm including joystick controls, makes the 48 Fly Bridge a practical and elegant addition to our successful [Salon Express](#) series. The expertly designed stairs leading from the cockpit to the bridge provide security during ascent and descent with full steps and handholds everywhere they are needed.

SPECIFICATIONS

Sure Shade system over cockpit

Fly Bridge

Stainless steel staircase with composite treads turning through 90 degrees
Venturi windscreen
Stidd Helm Chair
Large U-shaped settee to port with storage under
Large folding table with sea rail below
Cummins/Zeus engine controls including joystick
Large panel for Navigational Electronics
AC/DC refrigerator
Optional second Stidd chair
Optional radar mast
Optional grill

Deck Hardware

1 1/4" Diameter type 316 stainless steel perimeter rail system.
(6) 12" Stainless steel cleats (2 fwd, 4 mid ship)
(1) 10" Stainless steel cleat to starboard of windlass
(4) Custom cast stainless steel mid-rail line chocks.
(2) Custom cast stainless steel skene chocks forward.
(2) Stainless steel bollard style mooring cleats aft
(2) Stainless 12" cleats on cockpit coaming on centerline
Custom stainless steel bow pulpit with dual anchor roller for 44# CQR or Delta anchor and "lunch hook".
Quick anchor windlass, electric rope-chain type.
Flag staff and socket on taffrail.
Burgee staff on bow pulpit.
(6) Low Profile stainless steel hatches w/screens.
(6) Custom stainless steel opening port lights.
Teak toe rails.
Teak cabin side eye-brow.
Custom cast stainless steel "SABRE" medallion.
Raw water washdown system at bow.

Helm Station

Cummins DTS single lever electronic controls.
Cummins Smart Craft display (engine data, tank levels, vessel data, alarms).
Triple windshield wipers with washers.
Ritchie Compass.
Switch controls for horn, running lights, anchor light, engine room blower and optional equipment.
Stazo 400mm custom teak steering wheel with tilt helm and Sabre logo.
(2) Stidd N Series helm seats with Ultraleather fabric, mounted on a box

Propulsion

Twin Cummins QSC 8.3 600 hp electronic, fresh water-cooled engines with Zeus 3800 pod drives, with integrated steering and trim
120A, 12V alternators each engine.
(2) Exhaust by-pass mufflers.
Engine room blower.
Engine room vent ducts.
Engine room floor with FRP anti-skid.
White gelcoated engine room
Mylar face foam noise barrier.

Fuel System

(2) 263 USG diesel fuel tanks port and starboard.
Dual Racor fuel filters with water in fuel probes.
(2) 2" "Diesel" deck fill plates.

Steering and Trim Systems

CMD helm, with joystick.
Trim tabs integrated in CMD Zeus pod drives.
Autopilot integrated in CMD Zeus system.
"Skyhook" GPS position hold system with dedicated GPS receiver..

12VDC Electrical System

Two AGM Group 31 dedicated engine start batteries.
Three AGM 4D deep cycle ship's service batteries.
One AGM Group 24 generator start battery.
Remote control battery switches with controls at helm.
Manual emergency battery crossover switch.
Illuminated main circuit breaker distribution.
Digital battery monitor.

Lighting:

- St. Maarten amber cabin reading lights.
- High output LED lights in the overhead.
- LED strip lighting in appropriate locations.
- LED engine room lighting.
- Tri-color lights over helm station, red, white blue
- Cockpit courtesy lights.

Marine-grade, tinned wire throughout
12VDC USB chargers at helm and in all cabins

120VAC Electrical Systems

Onan 13.5 kw generator including:

- Onan E series display
- Dedicated start battery.
- Water drop muffler.
- Cooling water intake strainer.
- Sound shield.
- Transfer switch.

50A 70 ft shore power service with Glendinning Cablemaster
Isolation transformer
Illuminated main circuit breaker distribution panel.

Digital AC system monitor
120V GFCI protected outlets in each cabin and engine room.
50amp, 3-bank battery charger
Reverse cycle heat/ air conditioning in (3) zones.

Master Stateroom

Spacious island berth athwartship layout with laminated trim.
Hull side deadlight over head board
Shoji style passageway and closet doors
Shoji style portlight screen panels
Cherry hull ceilings.
Drawers under berth and in bulkhead aft of berth.
(2) hanging lockers fore and aft of bed.
LED flat screen TV and DVD player.
Teak and holly sole.
Sound deadening soft headliner panels.
Pocket door to master head compartment.

Master Head

Private access from master stateroom
Custom tile in WC and shower sole
Glass vessel style sink
High gloss finish over solid cherry counter.
Vanity cabinet below sink
Storage outboard
Mirror above vanity, cherry framed
Separate shower stall with clear bi-fold enclosure and glass tile accent wall within
Electric shower sump pump
Opening port to side deck
Deck hatch with blind/screen overhead
Ventilation blower
Stainless steel towel bars

Guest Stateroom

Spacious island berth, with laminated trim.
Cherry hull ceilings.
Drawers under berth, A/C return grille beside.
Storage lockers, drawers and shelves.
Teak and holly sole.
Sound deadening soft headliner panels.
Pocket door to passageway.
Private access to forward head and shower

Guest Head

Stainless steel under mount sink.
Shower stall with seat and locker outboard.
Hot and cold pressure water
Electric shower sump pump.
Storage lockers.
Solid surface vanity top with bull nose.

Towel bars
Soap dispenser
Cherry wood trimmed mirror over sink.
Ventilation blower.

Galley

Solid surface galley counter top.
Stainless steel under mount sink with cover and pull-out faucet
Stainless steel under mount prep sink with cover.
Soap dispenser
Isotherm stainless steel stand-up refrigerator (top) and freezer
Two burner electric cook top.
Convection microwave with stainless steel face
Drawers and storage lockers below counter.
Built-in waste basket. Recycle bin below steps.

Main Salon

Two Stidd N Series helm chairs mounted on a box
“L” settee to starboard, 5” foam cushions, with storage and Sabre tool drawer under.
