# Sabre 66 Salon Express

Boat Type: Motor Yacht

## OVERVIEW

### **The first American-built Downeast motor yacht of her size.**

The Sabre 66 has been called “the highest expression of Sabre yet,” and her name reflects that quality; “Dirigo” is Latin for “I Lead” and is the official motto of the State of Maine. She features comfortable and functional living spaces, an airy galley, three berths each with a dedicated head, and demonstrated performance underway that is both quiet and invigorating. Add in the latest in digital switching systems and a nautically sensible design, and the Sabre 66 is an owner-operators dream.

Step aboard and discover everything that “Crafted in the Maine Tradition” means.

## SPECIFICATIONS

### Basic Information

Manufacturer:	Sabre	Boat Type:	Motor Yacht
Model:	66 Salon Express	Hull Material:	Fiberglass
Year:	2020	Hull Type:	Modified Vee
Category:	Power		

### Dimensions & Weight

Length:	66.00 ft	Draft - max:	5 ft 1 in - 1.55 meter
LOA:	73 ft 9 in - 22.48 meter	Bridge Clearance:	20 ft 6 in - 6.25 meter
Beam:	18 ft 1 in - 5.51 meter	Dry Weight:	82500 ft
Deadrise Aft:	16.00 °		

### Tank Capacities

Fuel Tank:	975 gallons - 3 tank(s)	Holding Tank:	120 gallons - 1 tank(s)
Fresh Water Tank:	300 gallons - 1 tank(s)		

### Accommodations

Total Cabins:	3	Crew Cabins:	-
Total Berths:	-	Crew Berths:	-
Total Sleeps:	6	Crew Sleeps:	-
Total Heads:	3	Crew Heads:	-
Captains Cabin:	No		

## FEATURES

### Standard Equipment

#### Hull

Premium LP Painted Topcoat Finish  
Modified "V" planing hull design  
21-degree deadrise amidships and 16-degree deadrise at transom  
Reverse sloped transom  
ISO NPG clear gel coat w/ vinylester backup resin  
Knitted Biaxial Structural E-Glass reinforcements  
Infused SAN Corecell foam core in hull bottom and topsides  
PVC Foam cored composite stringer system  
Hull side rubbing strakes  
PVC rub rail with stainless steel cap  
Painted (Urethane) Double Boot Strip  
Gold Cove Stripe

#### Deck

ISO NPG gelcoat  
VIP resin infused Knitted Biaxial Structural

E-Glass Reinforcements with coring  
Molded-in anti-skid deck surfaces  
Twin anchor lockers  
Direct glazed windshield  
Sliding/opening side windows  
Port & Starboard transom gate access to cockpit  
Cockpit U-shaped settee with hi gloss table & (2) chairs  
Hydraulic submersible swim platform 900 lb. capacity for dinghy storage and handling

### **Deck Hardware**

1 1/2" diameter type 316 stainless steel perimeter rail system  
(4) stainless steel spring cleats  
(2) stainless steel mooring cleats  
(2) stainless steel stern cleats  
Salt water wash down system forward  
Custom stainless steel dual anchor roller  
24V Electric Windlass with controls at helm and foot switches on deck  
Flagpole holder and flagstaff  
Stainless steel hatches w/screens  
Oversized Stainless steel opening ports  
Teak cap rails port and starboard  
Teak cabin side eye-brow  
Custom cast stainless steel "SABRE" medallion  
Triple Exalto windshield wiper systems  
Dual Kahlenberg air horns  
Cockpit retractable sun awning

### **Propulsion**

2) Volvo IPS 1200 drives w/D13 900hp engines  
Volvo Interceptor automatic trim system  
Volvo Active Corrosion Protection system  
Volvo autopilot with joystick steering  
Volvo/Garmin Glass Cockpit Engine Display (1)  
Fresh water-cooled engines  
Primary 24VDC alternators each engine for charging isolated engine start batteries  
Groco raw water intake strainers  
Oil change system services engines, drive units, and both generators  
Engine room ventilation system 24VDC  
Engine room intake ducts on cabin house side with stainless steel grills  
White gelcoated engine room  
Fully sound insulated engine room

### **Fuel System**

975 gal. diesel fuel total  
Port & Stbd 225 gal. "day" tanks  
525 gal. centerline diesel storage tank  
Dual redundant fuel transfer pumps  
Racor dual 75/1000MAX fuel filters for propulsion engines  
Racor 500MA fuel filters for generators  
2" "Diesel" stainless steel deck fill plates starboard

### **NMEA 2000 Network System**

Network monitoring of systems

Network control of DC & AC electrical circuits

Backup/override of all network circuit faults

Mode controls, single one push button activation of boat wide circuits, customizable

Onboard WiFi for network

(2) iPad Minis with Launch Port for wireless control of network systems

### **120/240 VAC Electrical System**

Twin 120/240VAC 50 amp AC shore power services with cord reels aft

Isolation boosting transformer each shore service

21.5kW Onan "Quiet" generator primary

Automatic AC switching system for shore & generator power

Mastervolt 4.0kW high output inverter/charger

Stand-alone 100A battery charger

All accessible 120VAC outlets GFCI protected

120/240VAC distribution panels in engine room, adjacent to helm, and in galley.

### **24 DC Electrical Systems**

Ships battery bank (8) 6V AGM batteries

Port & starboard isolated 24VDC engine starting battery banks, (4) Lifeline AGM 3100

Dedicated 24VDC battery charger for engine battery banks

Helm remote controlled battery switches with manual override

LED Navigation lights

High efficiency LED designer lighting throughout interior

24VDC distribution panels in engine room, pump room, and adjacent to helm

### **12 VDC Electrical System**

12VDC battery bank (2) Lifeline AGM 24 supports generator start & 12VDC circuits

Dedicated 12VDC battery charger

Redundant 24VDC/12VDC converter

12VDC USB outlets at helm and in all cabins

12VDC distribution panel adjacent helm

### **Helm Deck**

Electrically operated sunroof over helm & salon

Twin Stidd helm seats with chrome finish

Joystick steering on helm seat armrest

Helm deck settee to port

Door to starboard side deck

Helm dash area finished in cherry

Volvo/Garmin touch screen display for network operation

Navigation switch panel

Custom wood trimmed stainless steel wheel

Air Conditioning/Heat 12,000 BTU

### **Main Salon**

U-shaped lounge to port with custom fabrics.

Hi-Lo table with inlays and deep epoxy finish

Lounge chairs to starboard with 50" HD Smart television on electric lift  
Blinds on all windows  
Cherry sole with sealer finish  
Soft acoustic headliner panels  
Air Conditioning/heat 48,000 BTU total, 24,000 BTU each side

### **Bar Deck**

Stainless steel electric sliding double-acting door to cockpit with curved glass windows on corners  
Designer countertop with bar sink and glass locker below  
Sub-Zero under-counter refrigerator  
Undercounter wine locker  
Undercounter ice maker

### **Forward Guest Stateroom**

Scissor berth converts from queen island to twin bunks with storage below  
Cherry hull ceilings  
Enclosed upper shelves to port and starboard of island berth Fwd most section open shelf  
Dimmable accent lighting below shelves and berth.  
Cedar lined hanging lockers  
Built in 24" HD television  
Screen/Shade for hatch  
Private access to guest head/shower compartment  
Cherry and holly sole with sealer  
Soft acoustic headliner panels  
Air Conditioning/heat 12,000 BTU

### **Forward Day Head**

High Gloss solid cherry vanity top with vessel sink and faucet  
Cherry and holly sole with sealer in day head  
Separate shower stall with ceramic tile floor  
Storage lockers  
Solid Surface Countertop  
Stainless steel towel bars  
Wood trimmed mirror over sink  
Ventilation blower

### **VIP Stateroom**

Queen island berth with drawer & storage below  
Night stands with drawers both sides  
Cedar lined hanging locker.  
Bureau  
Built in 32"HD television  
Stainless steel investment cast port lights with screens  
Round hull side deadlights  
Screen/Shade for overhead hatch  
Private access to VIP head  
Cherry and holly sole with sealer  
Soft acoustic headliner panels  
Air Conditioning/heat 10,000 BTU

### **VIP Head**

High Gloss solid cherry vanity top with vessel sink and faucet  
Cherry and holly sole with sealer  
Separate shower stall with ceramic tile sole  
Ceramic tile floor  
Storage lockers  
Stainless steel towel bars  
Wood trimmed mirror over sink  
Ventilation blower

### **Galley**

Toe-kick space length of galley with courtesy lighting  
Sub-Zero full height refrigerator/freezer  
Wolf 4-element induction cooktop  
Wolf convection steam oven  
Wolf microwave oven  
Fisher & Paykel tall dish drawer  
Galley exhaust fan 120VAC  
Granite cored counter top  
Dovetailed drawers  
Stainless steel under-mount sink with designer faucet  
Pull out waste basket  
Magic corner pull out storage  
Air Conditioning/Heat 10,000 BTU

### **Utility (Between Galley & Master)**

Stacked washer and dryer  
Storage under stairs  
Entertainment electronics locker

### **Full-Beam Master Stateroom**

King size island berth with drawers and storage below  
Night stands with drawers both sides  
Settee  
Bureau(s)  
Walk-in closet  
Vanity  
Hanging lockers  
Large stainless steel hull port lights  
40" HD Smart TV hidden in mirror  
iPad Mini with Launch Port for wireless control of network systems  
Cherry sole with sealer  
Soft acoustic headliner panels  
Air conditioning/heat 24,000 BTU

### **Master Head**

Double vessel sinks with faucets  
Solid Surface countertop  
Cherry sole with sealer  
Separate shower stall

Ceramic tile floor in shower  
Storage lockers  
Stainless steel towel bars  
Wood trimmed mirror over sink  
Ventilation blower

### **Decor**

Screens and shades on opening ports and hatches  
Optional fabric and drapery selections  
Optional custom décor packages available  
Dovetailed maple drawer boxes throughout

### **Fresh Water System**

Water capacity approx. 300 gals.  
24VDC Headhunter X-Caliber primary pump  
240VAC Headhunter Mach 5 primary pump  
26 gal. water heater  
Hot water circulation pump  
Filters on fresh water pump system and shore water inlet  
Fresh water coil hose in engine room  
Fresh water washdown at anchor locker

### **Waste Disposal**

Polyethylene holding tank 120-gallon capacity  
Holding tank vent filtration  
Full time cycling pump room exhaust fan  
Tecma Silence & Dometic Freshwater MSD's with white ceramic bowls  
Diaphragm pump on holding tank to pump overboard  
Electric motorized sea valve for holding tank pump out when at sea  
Day head ability to bypass holding tank and direct overboard discharge via locked Y-valve

### **Safety**

Fire extinguishers throughout  
Isolation transformers on shore power services  
Bronze and Marlon sea valves on all below waterline fittings.  
Bonding system to safeguard against galvanic corrosion  
Automatic fire extinguishing discharge system with override  
(4) Automatic electric bilge pumps 3700 GPH  
(4) Bilge high water alarms
