FEATURES

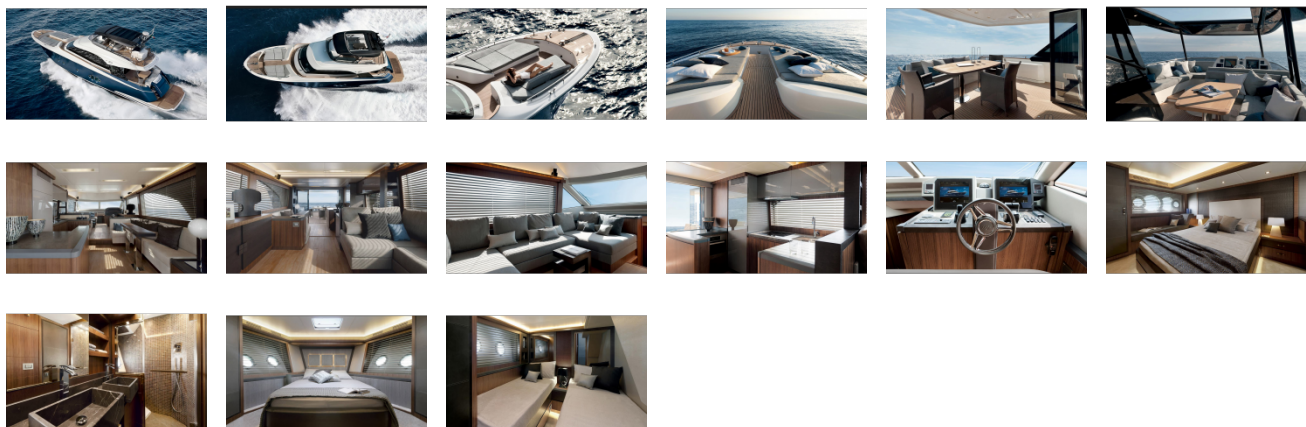

External Features:

At 20 meters in length, the “mini mega yacht” is perhaps the best exemplification of Monte Carlo Yachts' well-known trait of delivering spacious interior and exterior spaces that had previously been the exclusive hallmark of megayacht-category boats. From the sheltered aft area through the flexible and luxurious Portuguese deck and up to the flybridge, the MCY 65 surprises and delights for the elegance of its vast spaces.

Internal Details:

True to the MCY collection's key features, the MCY's interior spaces more than meet the expectations laid out by the exteriors: the surface area and the volumes expand in a succession of luxurious, comfortable habitats, ideal for conversation, entertainment, relaxation, or a lovely dinner with friends and guests. But utmost comfort finds its best expression in the master cabin; a real full-beam suite featuring an ample study and a large walk-in closet.
