# Hunt Yachts 68

Boat Type: Motor Yacht

## OVERVIEW

The Hunt 68 is intended for owners who prefer to be in charge of their own yachts, leave homeports astern, and cover offshore and coastal miles with speed, comfort and efficiency. Featuring the legendary performance of the authentic Hunt Deep-V, the ride is smooth, level and dry whether seas are calm or rough. Best-in-class passagemaking ability delivers an easy 27 knot cruising speed, and a top speed well above 30. The designers did not compromise the hull to increase accommodations, yet the layout is luxurious with three ensuite staterooms, office/study, plus crew quarters/utility room below. The Hunt 68 offers one level livability with 360 degree views and an unbroken main deck which joins helm, galley, saloon and afterdeck. An optional flybridge increases the living space with an upper level outdoor galley, seating area and helm station. As with any Hunt, the 68 offers many opportunities for customization from propulsion to arrangement plan to interior design and outfitting.

## SPECIFICATIONS

### Basic Information

Manufacturer:	Hunt Yachts	Boat Type:	Motor Yacht
Model:	68	Hull Material:	
Year:	2017	Hull Type:	Deep Vee
Category:	Power		

### Dimensions & Weight
