Rinker 23QX BR

Boat Type: Bowrider

OVERVIEW

23QX BR (+CC)

Bringing together classic Rinker styling and some new innovative features, the Rinker 23QX BR and Rinker 23QX CC are in a class of their own. The 23QX is the first in the QX Models to offer both bowrider and cuddy cabin models, delivering a smooth ride on a Rinker platform that can trace its origins to the legendary Rinker 232. Today this new icon stands apart as a nimble, family-sized option with the performance and quality that you've come to expect from a family of sport boats that continues to redefine Rinker Value, generation after generation.

The cockpit features an adjustable rear rumble seat that forms a huge sun lounge. Two optional hideaway jump seats, that stow away neatly into either side of the boat, are available as well. While it has exceptional performance and top-end speeds, a revolutionary new running surface also planes quickly, meaning you'll enjoy economical watersports and cruising operation.

SPECIFICATIONS
