Princess 60 Flybridge

Boat Type: Flybridge

OVERVIEW

With such grace and poise at rest, it's a sheer delight when her sculpted deep-V hull cuts exhilaratingly, and assuredly, through the water. She continues to impress with a vast flybridge appointed with features such as a wetbar, barbecue, soft L-shaped seating and a crafted teak table, just the thing for alfresco dining in a secluded cove.

Luxurious attention to detail abounds, with finishes such as hand stitched leather seating and soft touch cabinet linings. The three en suite cabins are no less considered and well-appointed. With acoustic insulation, every space feels completely serene. Something that remains even at sea. And seeing the ocean sweep by through the stateroom hull-side windows is like nothing else.

SPECIFICATIONS
