

Bonefish Malvado 26

Boat Type: Bay Boat

OVERVIEW

Our entry into the large bay boat market is finally here. This boat is a stunning departure from traditional bay boat layouts. We took over two years to design the Malvado's aggressive styling and complex running surface, and included new features like multiple helm options, seating for up to 8 people, up to three baitwells (front and back wells are standard), an extra-large fish box, lockable rod storage, coaming bolsters, jack plate, tons of storage and an enclosed head. The under gunnel rod storage is even unique, accommodating fully assembled fly rods. The result of all our hard work is a boat with superior performance, ergonomics and versatility. Designed as a hybrid boat for both inshore and near shore applications, the Malvado's ventilated twin step v-pad hull produces better speed, efficiency, stability and handling than her competition. At over twenty-five feet long, she is a super stable platform that handles open bays and near shore trips with ease. A hull draft of only 13" gives her access to the skinny stuff, while the sharp entry and flared bow shed water when running in chop. The Malvado 26' features an ample front deck with storage and integrated seating, as well as a large aft deck with jump seats and storage. The Malvado isn't built like other boats in her class. As with other Bonefish brand boats, she was designed using a semi-monocoque technique and is constructed from carbon fiber, aramid (Kevlar) and fiberglass that is hand laminated around closed cell foam coring using a blend of epoxy and vinyl ester resins. That means she's stronger and lighter. If you're looking for the best hybrid bay boat on the market...you've found it.

SPECIFICATIONS

Basic Information

| | | | |
|---------------|------------|----------------|-----------|
| Manufacturer: | Bonefish | Boat Type: | Bay Boat |
| Model: | Malvado 26 | Hull Material: | Composite |
| Year: | 2017 | Hull Type: | |
| Category: | Power | | |

Dimensions & Weight

| | | | |
|---------------|-------------------------|-------------------|------------------------|
| Length: | 26.00 ft | Draft - max: | 1 ft 1 in - 0.33 meter |
| LOA: | 25 ft 6 in - 7.77 meter | Bridge Clearance: | - |
| Beam: | 8 ft 5 in - 2.57 meter | Dry Weight: | 2900 ft |
| Deadrise Aft: | 14.00 ° | | |

Tank Capacities

| | | | |
|-------------------|------------------------|---------------|---|
| Fuel Tank: | 90 gallons - 1 tank(s) | Holding Tank: | - |
| Fresh Water Tank: | - | | |

Accommodations

| | | | |
|-----------------|----|--------------|---|
| Total Cabins: | - | Crew Cabins: | - |
| Total Berths: | - | Crew Berths: | - |
| Total Sleeps: | - | Crew Sleeps: | - |
| Total Heads: | - | Crew Heads: | - |
| Captains Cabin: | No | | |

FEATURES

PERFORMANCE AND CONVENIENCE

- Hydraulic Jackplate w/ Blinker Switch (6 in)
- Hydraulic Steering
- Trim Tabs
- Edson Steering Wheel (Optional)
- Power Assist Steering (Optional)
- Wireless Kill Switch
- 12 Volt Power Plug
- Two Batwells
- Anchor Storage
- Deluxe Leaning Post
- Dual Battery Switch
- Forward Storage Box
- Cast Net Locker
- Gunnel Rod Holders (4)

- Horn
- LED Convenience Lights
- Folding Jump Seats
- Lockable Rod Storage
- Self-Bailing Cockpit Drains
- Stainless Steel Cup Holders
- Stainless Wheel with Knob
- Swim Platform w/ Ladder

CONSTRUCTION

- 100% Composite - No Wood Construction
- High Density Fiber/Foam Transom
- Closed-Cell Foam Cored Hull
- Closed-Cell Cored Decks
- Carbon Fiber/Fiberglass/Kevlar Laminates
- Premium UV-Resistent Gelcoat
- Composite Foam-Filled Composite Stringer Grid
- Gasket Sealed Compartments
- Epoxy Coal-Tarred Aluminum Fuel Tank
- Fuel Water Separator
- Fire-Resistant Hoses
- Stainless Steel Pull-Up Cleats (5)
- Stainless Steel Hatch Latches
- Stainless Steel Bow Eye
- Stainless Steel Stern Eyes
- Stainless Steel Deck Drains
- Stainless Steel Transom Boat Drain
- Marine-Grade Tinned Copper Wiring
- LED Navigation Lighting
- Heat-Shrink Sealed Wire Connections
- Automatic Bilge Pump with Float Switch
- In-Line Bait Pump Filters
- Stainless Steel Thru-Hull Drains
