Hanse 348

Boat Type: Cruiser

OVERVIEW

Get sailing with the new Hanse 348! Its high rig and sail plan is packed with enormous performance to deliver a maximum of speed – without compromising the easy sailing experience and handling in any weather. The wind is free and so are you to enjoy it! This joy can also be found below deck, where you can breathe in the fresh sea air whenever you like from the many portholes, which is unique for a yacht of this class. At the same time, the windows turn the saloon into a cool, sun-filled lounge that you have designed individually with elegant wood and our one-of-a-kind fabrics and décor.

With Hanse, you have a progressive yacht that makes a statement. Technical innovations and quality in every detail are just as much part of the Hanse 348 as are an emotional design and comfortable atmosphere of well-being. Each detail is a subtle expression of superior design. The well-orchestrated ensemble of advanced technology and its integration is the highest art of yacht design at Hanse – and what drives us to create the perfect yacht.
