Hanse 548

Boat Type: Cruiser

OVERVIEW

The new Hanse 548 is the crème de la crème of the luxury loft feeling, providing an excellent sailing experience with coveted Hanse handling. It is the perfect yacht for a relaxing voyage to the world's most breathtaking bays. Enjoy a new level of spaciousness and freedom thanks to the yacht's length of more than 16 m and breadth of 5 m. Our team of designers were inspired by the element Earth during the development of the Hanse 548. The clear, modern hull shape and interior build a sublime contrast to the natural materials and warm hues. With the option to choose from ten different layouts below deck, Hanse is once again setting the trend in international boat building.

With Hanse, you have a progressive yacht that makes a statement. Technical innovations and quality in every detail are just as much part of the Hanse 548 as are an emotional design and comfortable atmosphere of well-being. Each detail is a subtle expression of superior design. The well-orchestrated ensemble of advanced technology and its integration is the highest art of yacht design at Hanse – and what drives us to create the perfect yacht.
