# Absolute 52 Fly

Boat Type: Flybridge

## OVERVIEW

### LET THE SEA SING YOUR LULLABY!

Any owner's greatest wish is to enjoy on the sea the very same feeling he enjoys at home: this is the spirit that has accompanied the design of the Absolute 52 Fly yacht.

Within her 16 meter length, luxury and design merge with water and she seems to be an integral part of the surrounding environment.

On the upper deck you can find a large sofa, together with a table and a piece of furniture that make it all look more like a hall: thanks to a couple of chairs, up to eight people can cozily spend time together. Closely, there's the helm station, so that your group can take advantage of each instant spent together.
