# Absolute 56 Fly

Boat Type: Flybridge

## OVERVIEW

### ONE STAR AMONG THE STARS

Sailing in the night, we see a glow that is profiled to us from afar. The Absolute 56 FLY yacht is sailing in front of us! The light that shines through the curtains of the lower deck windows reveals the magnitude of these true panoramic views: in the cabins, which are the central for the owner – full beam and the one at the bow for the guests, the eyes open on the boundless horizon of the sea. For the third cabin, the side one with two twin beds, full-height and a pair of classic round portholes offers a bit of seafaring and adventure for the young guests.
