Absolute 45 STY

Boat Type: Motor Yacht

OVERVIEW

THE SMALL MEGAYACHT

The compactness of the 45 STY – which gives dynamism and sportiness to this yacht – emphasizes the style of Absolute: the air vents integrated into the hull, the lateral character line on the hull side, the windows of under deck cabins, the aft window that joins with the molding of the access door to the aft cabin. All these stylish features are hallmarks of imposing and luxury yachts, just like our little megayacht 45 STY!

Moving from the cockpit to the interiors, you can appreciate the magnitude of the sliding door: its openness directly connects the interior living room and the galley with the outdoor cockpit sofa for maximum conviviality of everyone on board.
