Marquis 720 Fly

Boat Type: Flybridge

OVERVIEW

A FLAGSHIP WORTHY OF ITS NAME.

The three-stateroom Marquis 720, the flagship of the Marquis line, is simply breathtaking in both its outer and inner beauty. Step inside the salon, and you'll see open-grained, oak hardwood cabinetry, warm Brazilian cherry wood, and handmade leather furniture.

But the beauty of the 720 goes much deeper than what you see on the surface. Beneath her sleek outer lines and exotic interior spaces lies the beating heart of a yacht that is capable of long-distance cruising without sacrificing ease and comfort.

That is the essence of a true flagship, one that will be well worthy of your consideration.
