Scout 255 Dorado

Boat Type: Dual Console

OVERVIEW

The 255 Dorado is a dual console family-friendly sportfishing model ideal for fishing, cruising, entertaining, and watersports. One of the unique innovations onboard the model is an electronic aft-facing seat that easily converts to a lounge when activated, complemented by the fold-down aft portside seat. When the seat slides out, the backrest moves into a leaning position and allows for complete comfort. Additional seating can be found with the fold-down transom bench seat, deluxe fiberglass captain's chairs with armrests and fold-down bolsters (the portside seat can even fit two people), as well as comfortable and roomy bow seating port and starboard.

SPECIFICATIONS
