

Viking 55C

Boat Type: Sport Fishing

OVERVIEW

The Viking 55 Convertible

For more than five decades, the Viking Yacht Company has introduced numerous ground breaking designs that have paved the waterfront with excellence in design and performance.

Like many Vikings, the 55 is a blue-water overachiever, which says a lot about any new model. But in this case, it means even more because of the big boat shoes it has been designed to fill.

In 1996, Viking introduced its first 55 Convertible at the Ft. Lauderdale Boat Show. This model broke new ground with style and out gunned the competition not only with its performance but with its movie star popularity that trampled the competition in sales. Over the next five years, Viking would build over 150 55 Convertibles. No other boat by any manufacturer in this size range would even come close.

Until Now.

This new marauder of the seas is none other than the newest edition 55 Convertible. From bow to stern and every foot in between, this boat gleams with poise and perfection. It shares so many features of its stable mates that it is the obvious heir apparent to the Viking throne for superiority of the seas.

Performance wise, the 55 Convertible eagerly rushes to top speeds in excess of 40 knots. Like to fish offshore, but sleep late? This ride is for you.

But to really appreciate what this new model can do, we invite you to contact your Viking dealer and arrange a sea trial. We will then talk more when you get back to the dock. We will just assume that smile is your game face.

SPECIFICATIONS

Basic Information

Manufacturer:	Viking	Boat Type:	Sport Fishing
Model:	55C	Hull Material:	Fiberglass
Year:	2018	Hull Type:	Deep Vee
Category:	Power

FEATURES

The cockpit and flying bridge have been designed around the experiences of a thousand fishing tournaments, but you don't have to be a hard core blue water angler to appreciate the built in conveniences and amenities like a center console helm station, or observation mezzanine in the split level cockpit.

Accommodations include an inviting layout with three staterooms and two heads, a laundry center and a choice of salon floor plans featuring an island or peninsula style galley with under counter refrigeration. You can choose high gloss or satin finished teak joinery, along with a multitude of interior furnishings to customize it to your specific needs

and wants.
