Contender 25 Bay

Boat Type: Bay Boat

OVERVIEW

The 25 Bay is the perfect boat for those who love offshore fishing on calm days, and cruising around inshore on the bay. Developed with a fully customizable dashboard with livewells and jump seats at the aft, and seating up front along with a deck for a trolling motor.

Offshore fishing is a lifestyle that we celebrate with our boats and our dedication to building a better fishing experience. This same attention to detail went into understanding fishing in the bay. Build a boat for the bay that will stand the test of time and last generations.
