Cobia 237 CC

Boat Type: Center Console

OVERVIEW

Big offshore performance and features "right-sized".

Utilizing the same high performance and super fuel efficient hull design as its bigger brothers, the 261, 277 and 296, the brand new 237 delivers offshore tournament capability with family comfort. A stem to stern level deck, flush mount hardware, recessed bow rail, and optional hideaway aft bench seating make pulling aboard the big ones simple anywhere on the boat. More than enough bait will fit in the easily accessible 28 gallon livewell with Cobia's keep-alive aeration system and your catch can be iced down in two massive in-deck fish boxes. Blue LED cockpit lighting, a finished console interior and a contemporary helm area add style to all the substance. The 237 will make any day on the water an efficient, convenient and pleasurable experience.

SPECIFICATIONS

Basic Information

Manufacturer:	Cobia	Boat Type:	Center Console
Model:	237 CC	Hull Material:	
Year:	2018	Hull Type:	
Category:	Power
