Cobia 296 CC

Boat Type: Center Console

OVERVIEW

The top selling center console in the 30 foot category.

The Cobia 296 CC is designed big to handle any conditions Mother Nature throws its way. It also fishes big with twin 28 gallon livewells and a cavernous cockpit with flip down aft seating and two in-deck 64″ macerated fishboxes. All the lures, leaders and terminal gear you own will fit neatly into the tackle organizers in the leaning post and console and your dead baits will be kept fresh and ready for rigging in the two insulated boxes in the tackle station.

All deck hardware and the bow rail are recessed and the deck is level from stem to stern for 360 degree fish fighting maneuverability. Integrated into the console and leaning post, the metalwork of the optional hard top carries the clean lines and stylish looks of the deck upward to a two-tone top with molded-in pods for speakers, LED down lighting and spreader lights. Comfort features include soft and elegantly appointed upholstery on seating for 11, a full step-down console with forward access and a new hidden bow table that raises and lowers electronically with the push of a button.

SPECIFICATIONS

Basic Information
