Cobia 220 DC

Boat Type: Dual Console

OVERVIEW

The brand new "do it all" dual console.

Luxury, comfort and quality come standard with every 220 Dual Console. Designed with the same silky smooth hull and dry ride as the out-performing 217 CC, the 220 DC handles even the biggest water with confidence, safety and style. A smart, multi-purpose layout is ready to meet any on-the-water adventure for the whole family and friends. Standard features include fold-down aft seating, a passenger seat that converts to a lounge and serious fishing amenities like dedicated undergunwale rod storage. Add to that expansive storage space for gear, bags and skis, a fully finished standup head area and an array of options including a ski tow bar that cleverly recesses into the deck. The 220 DC answers the call no matter the conditions, the activity or the crew.
