Bertram 35

Boat Type: Cruiser

OVERVIEW

It's been over five decades since the 31 was released, but the legend can still be seen taking to the seas. That's why our latest model, the Bertram 35, was built from that timeless foundation. With superior fishing capabilities and the innovative luxuries expected of our brand, taking the helm makes you a modern day captain driving the Bertram empire forward.

The Bertram 35, which exudes the original 31's soul, incorporates a beamier, longer hull design allowing for a spacious and comfortable interior. Projected to reach 40+ knots with twin 460-hp diesels. Engine access is through 2 engine boxes in the cockpit, which also doubles as mezzanine seating. It's customizable to be fully fish-rigged.

Interior Design

Each Bertram is designed and built by skilled craftsmen who are boaters themselves, so even the smallest details are taken into account. Every component is intentionally chosen and materials, colors, and finishes are hand-selected to create a timeless, elegant design both inside and out.

The spacious, comfortable interior is as practical as it is beautiful. Ample storage above and below deck means the 35 can accommodate our Bertram families and fishing crew wherever they go.

On deck you'll be met by an optimized console layout and easy-to-access engine room. Equipped exclusively by powerful CAT diesels, you'll never fall short on performance.
