Yellowfin 17 Skiff

Boat Type: Sport Fishing

OVERVIEW

IN THE WORLD OF TECHNICAL SKIFFS, NO OTHER SKIFF IN THE INSHORE MARKET HAS THE CONSTRUCTION TECHNIQUES AS THE 17 YELLOWFIN.

This technical poling skiff is built with the same principles as our offshore products. A full vinyl ester resin infusion process wrapped with kevlar is used to ensure you are getting the quality you deserve.

Ergonomically laid out to suit anglers needs from fly fishing to live bait, this skiff is designed to capture the fish of a lifetime. The stability while poling is unmatched, especially in tough windy cinditions. You will feel effortlessly your way across the flats in search of tail'ers with inches below your hull, while equally holding your position in deep water chasing schools of tarpon.
