

Yellowfin 29 Offshore

Boat Type: Sport Fishing

OVERVIEW

WITH A 225-GALLON FUEL CAPACITY, THE VERSATILE YELLOWFIN 29 HAS A RANGE AROUND 450 MILES AT 40MPH WITH TWIN OUTBOARD POWER, EFFICIENCY AND PERFORMANCE THAT OTHER BUILDERS OF 29-FOOT CENTER CONSOLES ONLY DREAM ABOUT.

But while the 29 is undoubtedly smaller than her larger siblings in the Yellowfin lineup, she still features all of the proven innovations in design, construction, fit-and-finish that separate a Yellowfin from the others. She's a Yellowfin through and through and is a perfect light-tackle fishing platform, with plentiful storage areas, spacious livewells and unhindered 360-degree walk-around space.

The 29 is proof that good things really do come in small packages.
