Pathfinder 2200 Tournament Edition

Boat Type: Sport Fishing

OVERVIEW

A bait carrying rocket that's tournament-ready.

The only challenges you'll have with the newly redesigned 2200 Tournament Edition will be finding enough bait to fill its 95 gallons of livewells and having enough gear for all its tackle and rod storage. A new deck layout with walk-around gunwales and under gunwale storage for rods to 9 feet adds cockpit room and allows for more rods to be out of the way but still at the ready. Add to that a new oversized anchor locker, easier to use lockable rod storage boxes, two in-deck castnet lockers and more deck space. Combine all this with Pathfinder's famous quality construction and exceptional running performance and you have the most complete 22 foot bait carrying machine ever built.
