# War Eagle 2072LDSV

Boat Type: Jon Boat

## OVERVIEW

War Eagle model 2072LDSV has plenty of room to spider rig fish with three wide across the low front deck. As the season changes to waterfowling, there is plenty of room for decoys, hunting buddies and your dog. Whichever direction you decide, the 2072 is built to carry the whole crew. The 2072LDSV is built with heavy .125 gauge aluminum making it tough enough for large waters.

\*HP rating changes with factory installed steering.

\*\*HP rating changes with factory installed steering, aluminum flooring and side panels.
