# War Eagle 2372LDSV

Boat Type: Jon Boat

## OVERVIEW

The largest of War Eagle sportsman models, the 2372LDSV has plenty of room for passengers and gear. This heavy gauge all welded aluminum boat is tough enough for any hunting or fishing environment. The 2372 is popular with guides who have several passengers to carry as well as lots of equipment. It's big enough to haul goose decoys, coolers and all your hunting buddies. It is available with several options and accessories making it customizable to your needs. This models works great with a center console allowing for lots of room to move around in the boat.

\*HP rating changes with factory installed steering.

\*\*HP rating changes with factory installed steering, aluminum flooring and side panels.
