# Pathfinder 2500 Hybrid

Boat Type: Sport Fishing

## OVERVIEW

### **Flats in the front. Blue water in the back.**

Equally at home in the bay, in the pass, or offshore, the new 2500 Hybrid offers an unparalleled fishing platform and is the first fully vacuum infused Pathfinder. Combining a double- stepped hull and integrated aft seating, the 2500 melds the best of both worlds of high performance and comfort. A huge front casting deck allows multiple anglers to fish comfortably in trolling motor situations, and added cockpit space aft makes fishing out of the back safe and enjoyable even in big water conditions. Add to that a huge fishbox and storage for offshore gear and fly rods and you have the perfect crossover boat.
