## OVERVIEW

### OPEN ARCHITECTURE

With its 12 meters long and 4.10 meters wide, Absolute 40 Sport Yacht is a boat featuring unique characteristics of its kind. Her sporty lines marry harmoniously with the elegance and the grandeur of this boat, offering on-board comfort which can be compared to larger yachts. The Absolute 40STY is based on an open architecture, breaking down all the barriers that traditionally divide the use of the saloon and the cockpit: this is eased thanks to the wide opening door accessing the upper deck built on a single floor.
