OVERVIEW

20MTX

The 20MTX was born as the answer for curious minds.

This sharp and beautifully designed MTX model will make your presence on the water known. You may find yourself asking:

Who's going? You, me, up to seven friends, and our gear.

Where are we going? Anywhere you want.

A day on the water is better than any day at work.

When are we going to get there? Sooner.

Get to your destination with up to 280 horsepower.

How are we going to get there? With moxie and style.

Enjoy up to a three-tone hull color combination and aerodynamic style lines.

What are we going to do? Play, explore, relax, repeat.

Since curious minds also want to know...the answer is "yes." Yes, you can add an Extreme Package that includes a folding tower with [can speakers, amplifier, 10" subwoofer](#) and underwater swim lights.
