Rinker Q7 OB

Boat Type: Sport Cruiser

OVERVIEW

Q7 OB

The striking Q7 OB is great in size and elegance.

This floor plan was designed to hold friends and family by maximizing interior space with a side-mount table, recessed storage, in-floor storage, and storage below seats. Inside the captain's helm console is like a closet. It has room dedicated for a cooler, shelves for gear, cockpit table storage, and a removable trash container. The main seating area features a standard refreshment center with a [solid surface counter-top](#), a built-in blender for smoothies, and can be equipped to offer Shore Power with a refrigerator/freezer.

Captains will love being at the helm. The throttle arm rest, cell phone holder, [Simrad®](#) touch screen controls, and captain-only recessed storage will make the driver feel at home and in control of this yacht certified vessel. With up to 350 horsepower, you will be hooked after driving the Q7 Outboard.

Sporty handling combined with safety and class makes this the quintessential family bow rider.

SPECIFICATIONS
