# Rinker 17QX OB

Boat Type: Ski and Wakeboard Boat

## OVERVIEW

### 17QX OB

**You don't have to go fast to be cool in the 17QX Outboard, but it's your choice!**

The 17QX exceeds expectations. It may be the smallest boat in the Rinker line-up, but the quality of materials and content stays the same from the soft-step [Infinity®](#) flooring, to the Bluetooth [Kicker®](#) audio system, to the stainless steel hardware, to the dual-bolster seats, to the [Italian steering wheel](#).

The 17QX does not give up any performance on the water either. The hull is stable, quick, and moves through choppy water effortlessly.

The 17QX satisfies boaters' needs for performance and quality.

SPECIFICATIONS
