

Rinker 21QX Sterndrive

Boat Type: Bowrider

OVERVIEW

21QX BR

The 21QX Bowrider dares you to do without everything this model has to offer.

Check out the triple-threat stern configuration, radical functionality and incredible power.

First, the stern gives you a full-width sunpad, two-person jump seat, and a transom walk-through. Make it a quadruple-threat with the optional extended swim platform.

Next, consider the functions: rotomolded under-seat storage, huge ski locker, designated cooler space, removable trash container, recessed side wall storage, glove compartment, stainless steel cup holders, digital depth gauge, [Kicker®](#) audio system, standard [Bimini top](#), tilt steering, courtesy lights, anchor locker, dual swivel bolster seats, and dual console storage.

Finally, choose between 240 and 300 horsepower that brings it all to life.

You can have it all with the 21QX.

SPECIFICATIONS
