

Rinker 26QX Sterndrive

Boat Type: Bowrider

OVERVIEW

26QX BR

The award winning 26QX bowrider is one of the best sellers in Rinker's product line to boaters across the world.

The size and functionality of this boat combines sportiness, class, and style that makes it popular for many bodies of water.

The moment you step on board, you're welcomed by a feature-packed stern that other boats wished they had. The 26QX has a large swim platform with a transom shower, storage for water sports equipment, an integrated ski tow, and rumble seats built into the sun deck for comfortable lounging.

Fortunately, the goodness doesn't stop at the rear of the boat. Throughout the 26QX, you can find a [Kicker®](#) audio system with conveniently placed speakers for quality sound. There is storage found underneath the seats and in the

floor. Your drinks, sunglasses, sunblock, and phone have a home in one of the 16 stainless steel cup holders.

With refined interiors, features, and performance, the 26QX is a versatile boat for a day-vacation on the water.
