Williams Jet Tenders Mini Jet 280

Boat Type: Tender

OVERVIEW

The new Minijet delivers all the performance and quality of our jet tenders, but in a smaller package. With its light weight and compact dimensions it easily fits garages and platforms on a wide variety of smaller yachts. This opens up a whole new world of possibility. More yacht owners can now enjoy the thrill and manoeuvrability of a Williams jet tender, combined with our uncompromising reliability and stability. No other tender offers the same performance at this size.
