

# AB Inflatables Oceanus 13 VST

Boat Type: Inflatable

#### OVERVIEW

Our Oceanus line of console tenders was designed for professionals and cruisers who depend on serious performance and comfort. These boats feature AB's unique forward-hull design, making them the most spacious console tenders on the market. The extra-deep V-hull and innovative tube design allows the Oceanus to cut through the water with unsurpassed grace, virtually eliminating unwanted spray, for a truly exhilarating cruising experience.

Oceanus boats feature comfortable, upholstered seating, smartly designed consoles, and ample storage lockers that keep gear dry and safe. Boaters looking for an extremely seaworthy, highperformance, rigid inflatable will be pleased to know that several Oceanus models were originally designed for the Italian Coast Guard. With its spacious interior, impressive maneuverability, and sporty design, it's easy to understand why Oceanus boats are the first choice of so many sport's enthusiasts, yacht clubs and professional organizations around the globe.
