AB Inflatables Profile A13

Boat Type: Inflatable

OVERVIEW

Our “A- Series” Deep V models are designed to handle all weather conditions the elements can dish up. Their rugged yet lightweight aluminum hulls along with the tough 1670 D-tex CSM fabric make them the ideal boat for any rescue or commercial operation. These boats can be customized for any use with a variety of seats and consoles to suit any need. They are the most versatile professional RIBs on the market today.
