# AB Inflatables Profile A14

Boat Type: Inflatable

## OVERVIEW

Our "A- Series" Deep V models are designed to handle all weather conditions the elements can dish up. Their rugged yet lightweight aluminum hulls along with the tough 1670 D-tex CSM fabric make them the ideal boat for any rescue or commercial operation. These boats can be customized for any use with a variety of seats and consoles to suit any need. They are the most versatile professional RIBs on the market today.

- Overall Length: 14' / 4,27m
