AB Inflatables Profile A24-XHD

Boat Type: Inflatable

OVERVIEW

AB Inflatables is proud to introduce the new professional line PROFILE A- XHD. Designed for the most difficult and demanding military & commercial operations, these new workhorses (water-war-tanks) are ready to withstand anything Mother Nature can throw at you.

The PROFILE A–XHD line is built for the toughest environmental conditions. Every model is geared toward a specific mission, keeping in mind the circumstances it will be exposed to. Every professional will appreciate the ¼" thick aluminum hull supported by a heavy duty welded stringer system and the most durable 1670 D-Tex CSM fabric. Its robust internal construction currently makes this new professional line the safest and most reliable RIB.

A wide list of optional features is also available for this new line. The PROFILE A–XHD can be customized to suit the most particular needs by offering standup aluminum consoles, cabins, leaning bolsters, aluminum jockey seats, gun mounts, among other features.
