Monte Carlo Yachts MCY 105

Boat Type: Motor Yacht

OVERVIEW

The unveiling of the MCY 105, the largest to date, coincided with Monte Carlo Yachts' five year anniversary, and the 32-metre flagship is the most tangible exemplification of the company's vision and the best expression of Monte Carlo Yacht's iconic, timeless style and the naval allure of its collection.

Total Cabins:	-	Crew Cabins:	-
Total Berths:	-	Crew Berths:	-
Total Sleeps:	-	Crew Sleeps:	-
Total Heads:	-	Crew Heads:	-
Captains Cabin:	No		

FEATURES

Design and Layout

The MCY 105 is the largest in the MCY collection, and the boatyard's distinctive trait of creating spaces only available on mega-yachts is particularly evident. The interior spaces onboard the MCY 105 are incredibly voluminous. The large Portuguese deck at the bow, and the flybridge with equipment and living space are unmatched in its class, while the unique and ergonomic Raised Pilot House gives maximum comfort to the master cabin - located on the main deck - that features full beam and giant, full-size windows.

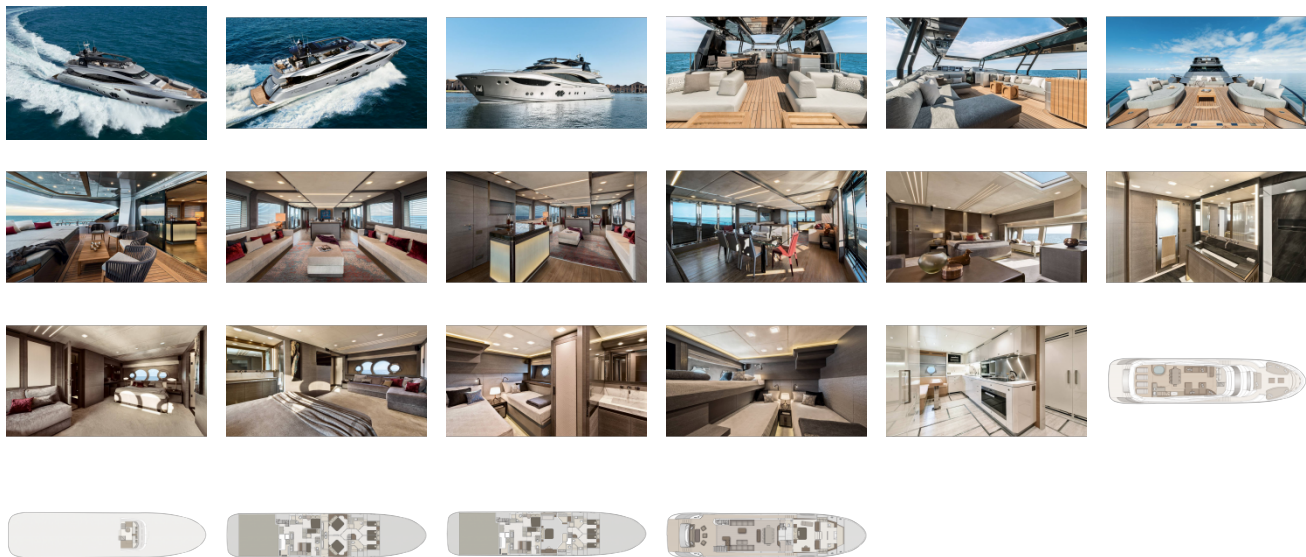

Interior Mood

Featuring the MCY collection's iconic design elements such as a perfect balance of the hull and superstructure, the MCY 105 is the result of a painstaking attention given to proportions, the inherent dynamism of the lines, and to every single detail, no matter how small. The MCY 105 is elegant and instantly recognisable, and the imposing bulwarks and high bow award the boat with the naval allure so distinctive of the timeless MCY style.

Key Features

- Raised Pilot House
- Main deck owners's stateroom forward
- Portuguese deck at the bow
- Laminated with 8,800-lbs. of Kevlar and carbon fiber
- Supported by 1,760 lbs. (800 kgs.) of aluminum beams
- Unlimited options for interior décor materials
- Aerospace monocoque structural concept
