Axopar 37 Sports Cabin

Boat Type: Center Console

OVERVIEW

TURN UP AND TURN HEADS WITH THE AXOPAR 37 SPORTS CABIN

Cool looks and a fantastic driving experience from the Sports Cabin version make this a subtle rethink on the 37 Cabin, with a more streamlined, more sporty-looking outward appearance owing to a steeply raked front screen and surrounding cabin area.

For outright beginners through to seasoned professionals, the 37 Sports Cabin challenges the entire notion of cruising with a more expensive, raised fly-bridge equivalent, and has the power to seduce even the most sceptical of boat buyers.

The enclosed Sports Cabin has a full length canvas top which fully retracts, along with side-opening doors, so that passengers still get a good sense of the outdoors, just as they do from our more exposed Sun Top and T-Top versions.

The interior layout offers the same potential for seating up to six people around an L-shaped table, but there have

been more tweaks made inside the cabin too.

Found inside every Sports Cabin, for example, there's higher attention to detail, with a whole host of quality touches and improvements including a lacquered walnut wood interior, suede covered steering wheel, Nirrox 100% waterproof upholstery with white diamond patterned stitching and an electrically operated canvas roof as standard.

Configured from new either with or without our additional aft cabin accommodation option, turn up and turn heads with the Axopar 37 Sports Cabin.

SPECIFICATIONS

Basic Information

Manufacturer:	Axopar	Boat Type:	Center Console
Model:	37 Sports Cabin	Hull Material:	
Year:	2021	Hull Type:	
Category:	Power
