Albemarle 25 Express

Boat Type: Cuddy Cabin

OVERVIEW

ALBEMARLE 25 EXPRESS

As the entry level **Albemarle Express**, the 25 lets you enjoy true offshore fishing anywhere you want to go. She's lean, but also lethal. Make no mistake, she's an offshore thoroughbred. Her distinctive, flared bow, unitized construction, Yamaha power and deep-V bottom let her handle just about any condition a sport fisherman faces. She's fast and agile, but with an incredibly soft entry.

A combination that makes her truly a pleasure boat. Forward is a full-sized cuddy cabin with V-berth, secure rod storage, a stowable electric head and a storage locker. If you fish through the weekend, you can also have an optional galley with refrigerator, microwave and table.

Her fishability has been tuned to perfection. Spacious, flush cockpit. Long-range fuel capacity. High, wide gunwales for easy 360-degree access around the boat. Recessed hawse pipes and rod holders keep lines free of interference. Plus a standard, large live well and fish box right in the transom completes the fishing package.
