

Sanlorenzo SD 92

Boat Type: Motor Yacht

OVERVIEW

The SD92 line embodies a highly evocative layout inspired by transatlantic liners from the Thirties and the Forties meets every conceivable design and performance requirement.

At 92 feet, this model is able to offer terrific advantages to the cruising range, and provide comfort to her guests when underway, boasting an astonishing vibration- and noise-free interior environment. Compact and sturdy, she offers a level of comfort normally reserved for yachts twice her size.

Her spacious interior is only matched by her massive exterior spaces, including an impressive flybridge layout with room for lounging, a wet bar, grill, and a traditional dining table. Thanks to the tender garage, deck space is never compromised.

With a top cruising speed of 17 knots, this navetta by Sanlorenzo is unique in its class.
