Dehler 38

Boat Type: Cruiser

OVERVIEW

Judel & Vrolijk have once again put all their experience & knowledge into a truly remarkable design. The new Dehler 38 introduces new window lines, enhancing her sporty looks and simultaneously letting more light into the cabin. A narrowed side deck allows a raised coachroof resulting in more headroom and the widest saloon in her class. Winner of the European Yacht of the Year [Performance Cruiser] the Dehler 38 has already proved to be a phenomenally successful boat.

Testemonial

"Dehler Yachts are fondly regarded for their performance, design and quality and I think the Dehler 38 sets the bar very high. The interior is stylish and functional and the sailing performance is superb. The Dehler 38 is ideal for a cruising family as well as the most ambitious and that's a hard nut to crack. All in all we are delighted with the boat and I see it being a serious contender for those seeking more from their sailing. It's as stiff as houses and just as comfortable!"
