Eastern 22' Center Console

Boat Type: Center Console

OVERVIEW

In response to customer and dealer suggestions, Eastern developed the roomy 22 Center Console design from our successful 248 Downeast-style hull with 8'6" beam.

The 22 hull combines a sharp bow entry with a soft chine, a relatively flat bottom aft, and a keel for good tracking on course.

A molded bottom strake offers lift while knocking down spray (look closely at running shots in our Gallery to gauge the effectiveness of the strake). The hull shape provides a soft, smooth, efficient ride at speeds in the 'teens and twenties with only a 115-hp outboard.

The 22 CC is big and strong enough to take on snotty near-coastal waters safely for hard-core anglers and explorers while providing a spacious shallow-draft platform for beach picnics and sunset cruises. She offers room for seating and storage both fore and aft, plus a large console with space for a portable toilet inside and room on top for serious electronics.

Seating includes cushioned forward benches (storage under), a double-wide cushion in front of the console (ditto),

and rear cushioned seating on either side of the transom splashwell.

For weather protection, add a T-top and a folding bow dodger. Fishing features include rod holders and racks, an optional livewell, and tackle storage. Like all Easterns, the 22 CC relishes multiple tasks for her families.

SPECIFICATIONS

Basic Information

Manufacturer:	Eastern	Boat Type:	Center Console
Model:	22' Center Console	Hull Material:	
Year:	2019	Hull Type:	
Category:	Power		

Dimensions & Weight
