Hanse 455

Boat Type: Cruiser

OVERVIEW

The Hanse 455 is the epitome of what Hanse yacht building stands for!

Beautifully designed, strongly built, easily sailed short handed and a head turner wherever they are seen.

The deck is a continuation of the latest models incorporating a sleeker deck profile, a larger cockpit and brilliant stowage solutions.

Down below is light and airy with a seemingly endless choice of finishes and layouts to really let you design your own feel for the interior.

Large hull windows and multiple deck hatches make the interior superbly light, removing the feeling of being sat below.

The owners cabin is simply unrivalled at 45ft, with a large island bed, completely separate shower cubicle and plenty

of storage.

The reliable engineering is extended even further on the 455 with a watertight bulkhead and massive subframe structure

SPECIFICATIONS
