Hanse 588

Boat Type: Cruiser

OVERVIEW

The new Hanse 588 offers everything you would expect from Hanse. Head-turning looks, bullet proof build quality, fast easy sailing and lots of space and light.

The optional hardtop offers a new dimension to sailing and of course the famous Hanse big boat dinghy garage means you get to take a Williams Jet tender on your voyage too.

Further innovations include the new Silent Sleep main bulkhead system which remarkably deadens the sound from the aft end of the boat.
