Hunt Yachts Surfhunter 32

Boat Type: Runabout

OVERVIEW

When a hull glides effortlessly through the water, when it shrugs off 2-3' seas like a pond run, when its guests stay dry and its helmsman confident and when it turns heads in every harbor, you have the makings of a classic. And classics don't just endure, they triumph. The Surfhunter 29 is one such triumphant classic, so much so, that her enduring hull form has become the Hunt 32CC with outboards and now, the Surfhunter 32 with outboards. We added an Armstrong bracket to the 29 hull which makes the boat a true 32 and the deck layout is changed to be much more accommodating.

FEATURES

QUIET RIDE

Hunt’s design and engineering teams have gone to extraordinary lengths to minimize engine noise for a blissfully quiet ride. From the careful selection of engines and parts, to the high performance sound barrier used to insulate the engine compartment, we’ve designed a ride that is both comfortable and quiet.

COASTAL COZY

The Surfhunter's cottage-like interior boasts teak detailing with Corian countertops and custom upholstery; an efficient galley with stainless sink, gas stovetop, microwave, refrigerator, and full size v-berth with enclosed head and shower ensure comfort and convenience. The result is a boat that looks and feels much larger than its 32 feet.
