Hunt Yachts 32 Center Console

Boat Type: Center Console

OVERVIEW

Awarded “Best New Powerboat” at the 2015 Newport International Boat Show!

A battlewagon for the weekend warrior, the 32 CC is ready for whatever adventures await. If you can dream it, this center console can do it. The 32 CC’s innovative design combines the key attributes of a luxury day boat with the functionality of a center console fishing boat; all on the authentic Hunt Deep-V hull. Grab the rods, wakeboards, the ice and friends and have your best summer aboard the 32 CC.

Total Cabins:	-	Crew Cabins:	-
Total Berths:	-	Crew Berths:	-
Total Sleeps:	-	Crew Sleeps:	-
Total Heads:	-	Crew Heads:	-
Captains Cabin:	No		

FEATURES

INVITING & INNOVATIVE

Hunt's innovative extension of the center console (reaching from centerline to the port rail), allows for an aft-facing, walk-in companionway leading to a real interior. Because it faces aft, the helm and cockpit can communicate easily with those below. This companionway configuration is very family friendly – the kids can go below in safety, even while running. In addition, the extended console accommodates both an enclosed, stand-up head (with shower!) and a separate “galette” with sink, fridge, microwave and storage. There's even a single daybed located forward.

LOUNGING IN LUXURY

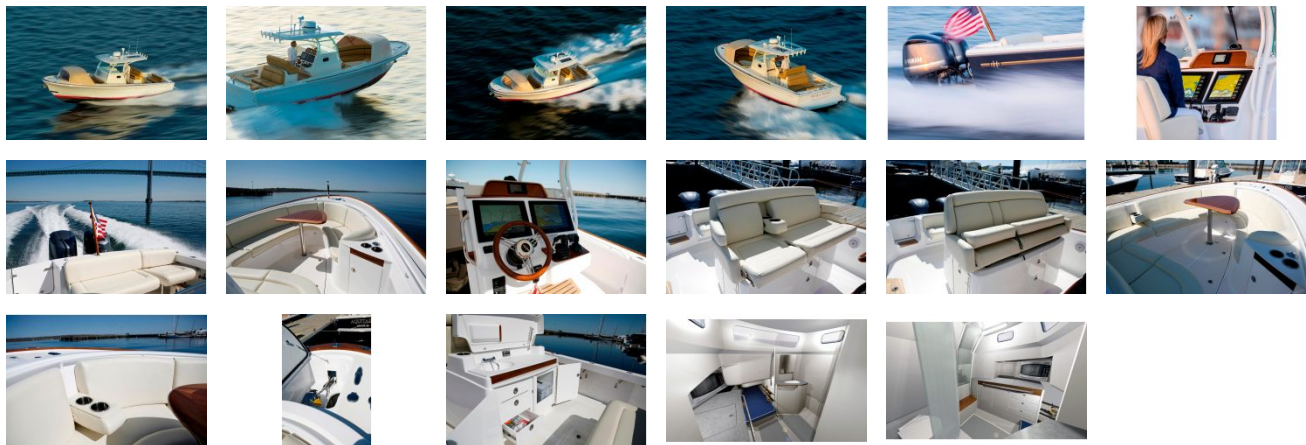

When you reach your destination, the expansive flush cockpit is roomy and inviting. The integral swim platform invites swimming and watersports while the optional side door makes boarding and disembarking a breeze. The forward “J” seating accommodates eight in luxurious comfort, and the optional teak table is ready for al fresco dining. At the end of the day, the 32 CC boasts two showers – both a transom and stand-up shower below – to freshen up for dinner or the ride home.

FISHING FRENZY

If your plans include angling, the starboard side walk-around access provides ample room for your fishing crew. The

aft seat folds out of the way, giving access to the integral aft swim platform — the perfect spot for landing your catch before storing it in the insulated locker. Completing the layout are the live well in the transom, under-gunwale rod holders, and lockable under-seat rod storage. Additional rod storage is available below.
