Moody Aft Cockpit 45

Boat Type: Cruiser

OVERVIEW

The Moody Aft Cockpit 45 is a true offshore sailing yacht, with her twin-wheel steering position providing excellent visibility. The composite performance keel produces a high level of stiffness and upwind speed and a double forestay and standard well-cut sails drive the yacht forward with ease.

The Moody Aft Cockpit 45 captures the spirit of a golden age of yachting whilst being completely up to date in terms of performance and comfort. The long classic coach roof with oval windows and the sturdy windscreen blend seamlessly with a modern underwater shape and an effective keel and rudder design.

On deck, the Moody Aft Cockpit 45 is the epitome of pedigree and high quality, with a fine and perfectly handcrafted teak deck and solid woods throughout. Scores of clever minds and skilled hands have contributed to every Moody yacht, sharing their passion, experience and respect for the sea.

Safety and comfort are assured for everyone onboard the Moody Aft Cockpit 41 thanks to its fixed sturdy windscreen and protected cockpit. The yacht also features powerful winches and ball-bearing blocks, as well as well

dimensioned chain plates, cleats and fairleads.

The warm and elegant interior inspires a feeling of timeless elegance and well-being. The saloon provides generous seating for dinner around a beautiful star pattern table, while the navigation station is comfortable and practical both at anchor and when underway.

Experience a fine and perfectly hand-made interior with solid woods of your choice plus a classic teak deck where handcrafted solidity meets modern design. Maritime requirements are in perfect harmony with the carefully designed lighting gear in the saloon.
