Starcraft Marine 210 I/O SCX

Boat Type: Deck Boat

OVERVIEW

Another in our recently debuted lineup of thrill rides, the new 210 SCX I/O crossover is designed to put power boat excitement within reach. With the same quality hull construction and many standard features of the 250 and 230, this 300-horsepower, 21-foot beauty is among the best power boats in showrooms today.

The unique Crossover SCX IO series gives you runabout performance with deckboat capacity - delivering the best boat of both worlds in one stylish package.

SCX inboard models feature the exclusive Modified Dihedral Cat Hull for smooth, stable handling that puts you in full control of up to 300 hp.
